Team photo

The very first Task. Take a group picture of your team. In the picture has to be as many team members as possible. Besides that, you have to show your group flag. Upload the picture on the iScout -game website.

You have to hand in a photo.

Flat earth

In this time of fake-news and conspiracy theories, you can persuade people of anything. Maybe one of the most wide-spread misconceptions is that the earth is flat, rather than a globe. The flat Earth society believes that the earth is a flat disk surrounded by an ice wall. You are going to build a model that shows us what this flat earth exactly looks like. Make a one-minute movie in which you present your model and persuade us that the world is indeed flat.

You have to hand in a short video.

Sphinx

Make a sphinx of pavers of at least 1.5 meters long. For inspiration: <http://os01.iscoutgame.com/game-2019/sphinx.jpg> Hand in a photo of the result.

You have to hand in a photo.

Scout Uniform

A scout uniform belongs to scouting. But young and rebellious as we are, we don't want to look uniform. So, organize a fashion show, to show 7 different ways to wear your scouting uniform. Make a video of maximum 1 minute. For inspiration: <https://www.facebook.com/sciencememes/videos/244808009746477>

You have to hand in a short video.

Boom

Every new years eve, a lot of fireworks are chipped. And sometimes this is going terribly wrong. Make a safe version of bright fireworks. Pump at least 25 balloons and find a way to pop them in all in up to 3 seconds. Goal: that it sounds like fireworks. Deliver a video of up to 30 seconds. And Oh. If you use knives or other dangerous objects: Safety glasses, safety shoes and other appropriate precautions are mandatory. Inspiration:

Happy Birthday

iScout is celebrating her 10th anniversary! And that is why you are going to decorate the room where you make the Travel Questions. Make it a festive-10-years-anniversary-iScout-room. Garland, balloons, confetti, serpentine, party hats, everything. Make it awe-some! Then at least 5 people will perform a Happy Birthday song in your own language, accompanied with (real or homemade) instruments. Deliver a video of max. 30 seconds in which we hear your musical skills and on which we can see the decorated room.

You have to hand in a short video.

BP

Within every group or tribe there is someone who looks a bit like the founder of scouting; Lord Baden Powell. Turn one person into a real BP look alike and make him or her a stately photo. Important detail: the 'new' BP is clearly from the twenty-first century. So make sure that this is visible in the picture.

You have to hand in a photo.

Brexit

Brexit or not: we are going to prepare ourselves for it. That is why you are going to make a real English / British border post. Complete with the well-known guardhouse*, two people in a Queen's Guard costume (no idea if they will be deployed at the border, but for the story it is fun), boom-barrier and (because they are British) tea with milk. The UK teams can make the border post they will see from their point of view. So you see a French, Belgian, Dutch or Irish border post. You can think of what it looks like.*)

Out of the window

"Out of the window" is a classic in 10 years of iScout history. Meanwhile, a lot of things have been thrown out of the window and broken. That's a shame. That's why this time a variant. Throw something (say, a moving box or something slightly smaller) from the window of the second floor down. Below is a trampoline that causes the fall to be broken a bit. The object bounces from the trampoline in a trailer (cargo bike, wheel barrow, something else you can put your hand on). Make a 1-minute movie of your move. Be aware it is dark outside and we would like to see something on the video. Ensure there is enough artificial light. And... Think about the safety of yourself and others. Take a video of 30 seconds where we can see you throwing a paper airplane and keep the plane flying for 20 seconds.

You have to hand in a short video.

Concert hall

A concert in a big football stadium is impressive. But a small intimate concert is always better. That's why you're going to give a concert in a bus shelter. There should be a stage, 2 people with artistic cloths and instruments and of course a spotlight at the ceiling so the singer is in the spotlight. The stage, instruments and lamp can be real, but may also be handmade. Of course, there is a screaming crowd enjoying the concert. Make a photo (or photo-collage) and hand it in.

Export your team flag

It goes without saying that during your rich scouting history you've made many friends abroad. Use your connections to export your groups flag. Submit a photo showing a somewhat well-known building/monument abroad together with somebody holding your groups flag. The jury is not, in fact, all knowing, so please include the name and place of the building/monument.

Some album covers are icons of pop culture history. The task is simple: make a replica of the album cover. You can choose from:

- Adele - 21
- Oasis - (What's the Story) Morning Glory
- Queen - Queen II

You are (just like in all the tasks) not allowed to use photoshop. Because of this you only have to replicate the picture on the cover, the text is not important.

One of the most famous IKEA purchases is the Kallax. We all know someone who has this. Or you know a neighbour who has this. Make a picture with yourself and a real Kallax.
